I confirm that Sasa Kovacevic has worked in 2010 for ENCS in Mildenhall, England in our international communications department.

At all times I have found Sasa to be dependable, reliable and hard-working. He produces a high-volume of work while maintaining high standards for quality and accuracy.

Sasa also possesses the ultimate "can do" attitude while taking on all tasks with a positive energy and a smile. His upbeat personality and engaging personal style enables him to interact effectively with clients and staff.

Sasa worked as a webmaster in our international communications department where he contributed with his knowledge on search engine optimizing and daily maintenance of our website.

I volunteered to write this recommendation for Sasa, because I am very grateful for his contributions to our office and very confident that he has the intelligence, work ethic and communications skills to add value at ITU in Copenhagen.

Please feel free to contact me if you have any questions about this outstanding young man.

I'm happy to provide further information if required

Yours faithfully

Natasha Godwin
